The Autism Support Center

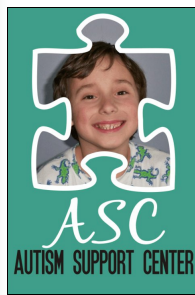

An educational workshop for parents, families and advocates of children with special needs.....

Making plans: Defining your family's future

The purpose of this workshop is to motivate you to look at your own situation and make the necessary changes if your current plan does not do what you want. The presenters will give you an overview of the financial and estate considerations for special needs planning.

The presenters are Caleb Harty, a financial services professional from Salem, and Leo Rotman from Sudbury. Leo Rotman is a financial advisor and the parent of two boys, one diagnosed on the autism spectrum. His professional focus is working with families of children with special needs. He volunteers his time with the Metro West United Sports and the Sudbury Sped Pac.

RSVP a must! Contact Susan Gilroy at 978-624-2302 or sgilroy@ne-arc.org.
